# JARRADE PIERCE

## Full Stack Web Developer

📞 925 826 4969  @ jarradepierce@gmail.com

🔗 http://www.slimcodes.com  📍 San Francisco Bay Area

## EXPERIENCE

### Content analysts

**Cognizant**

📅 2016  📍 San Franscisco

Evaluating user content for Twitter

- Helping ME engineers get data needed for machine learning algorithms.

### Freelance Web Developer

**Slimcodes.com**

📅 08/2017 - ongoing  📍 Location

- I am a freelance developer working mostly with clients in my area. My daily tasks are to get requirements from the client, build and relay and demo what has been done weekly.

## CODING BOOTCAMP

### Full stack web development

**Dev Bootcamp**

📅 01/2017 - 08/2017

## TECHNICAL SKILLS

⭐ **Javascript**
jquery, React

⭐ **Ruby**
Ruby on rails

⭐ **HTML**
HTML, Bootstrap

⭐ **CSS**
CSS, Bootstrap

## ACHIEVEMENTS

💎 **Dev Bootcamp final project**
Dev bootcamp is known to be verry intense and immersive. I have had many nights dreaming in code. Building the final project with my team was the highlight of the program and showed just how far we have come! check it out on my website.

## MY PORTFOLIO

### Slimcodes.com

My simple portfolio of projects I created or collaborated on.
www.slimcodes.com

- Building this portfolio was at first just to show employers but now that I freelance it is used as a goto place for my clients as well.
